- Paper sheets must be marked with ink daubers only. Sheets must be legible or the bingo will be null and void.
- Payouts per game will not exceed the \$500 limit, per State Law.
- It is the winner's responsibility to let the caller know before the next number is called that he/she has a bingo. - In the event that a duplicate bingo number is called, lost balls, or balls not dropped, the game will be halted and the board checked. The game will not be restarted, but will continue on from that point. If for any reason additional balls are shown and called before the game can be halted, those balls will be considered good.
- The Manager has the right to run Flash Games whenever he wishes to before the end of the night.
